“Twilight, again.
Another ending.
No matter how
perfect the day
is, it always has
an end.”

When Isabella Swan moves to the gloomy town of Forks and meets the mysterious, alluring Edward Cullen, Her life takes a thrilling and terrifying turn. With his porcelain skin, golden eyes, mesmerising voice and supernatural gifts, Edward is both irresistible and impenetrable. Up until now, he has managed to keep his true identity hidden but, Bella is determined to uncover his dark secret.

What Bella doesn't realize is that the closer she gets to him, the more she is putting herself and those around her at risk. And it might be too late to turn back...

First, Edward was a vampire

Second, there was a part of him - and I didn't know how to potent that part might be that Thirst for my blood

And third, I was unconditionally and irrevpcably in love with him.
